

## **APPENDIX 1: Type 2**

The Board of Directors of CFSIC has determined that the eligibility of claimants with respect to both Type 1 and Type 2 claims is affected by the date on which the affected residential building was purchased. With respect to such eligibility:

- for any residential building purchased on or after February 1, 2019, if the buyer of such residential building is aware that the building or any addition(s) to the building, inclusive of any garage, were constructed in 1983 or subsequent, such buyer will only be eligible to apply to CFSIC as a Type 1 or Type 2 claimant if the buyer or seller of the building has tested for pyrrhotite, or has conducted a visual exam for evidence of pyrrhotite, prior to the date of sale.

This Appendix is a material part of the application. A claimant signing this application acknowledges his or her understanding of the terms and conditions of this Appendix, and agrees to be bound by those terms and conditions.
