

Six Key Condo Facts

Universe of Foundation Platforms

Associations applying have reported that they have 115 foundation platforms.

Foundation Platforms Submitted

Associations applying have submitted evidence supporting 88 affected foundations.

Severity-Coded Platforms

Of the foundations submitted, 37 are severity coded 3 and 17 are severity coded 2.

Value of Reserves

We've identified that \$18.9 million of our current carried liabilities are set aside for condos.

Percentage of Reserves

Condos represent 16% of our total carried reserves and have been essentially responsible for helping us reach our maximum booked liability of \$121.6 million.

Associations Applying

Seven condo associations have applied...some associations have not completed all required severity codings.
